Robin King & Associates Limited
4 Arney Street
Newtown
WELLINGTON

To Whom It May Concern:

Robin King & Associates Limited have been the cleaners for Unisys NZ for around 15 years and presently clean the following buildings:

- 4800 m2 of office space 56 The Terrace
- 1989 m2 of office space 650 Great South Road, Auckland
- 3350 m2 of office space, Paraparaumu

As well as cleaning, they also supply our washroom products, such as soap, air fresheners, sanitary bins etc.

During our association with Robin King, Unisys has found them to be a very proactive and progressive company.

While they have not always been perfect, any problems encountered have been actioned immediately and we have regular inspections and feedback from their management.

I would not hesitate to recommend Robin King & Associates to any company who require a cost effective cleaning company.
